Working Experience

BI Analyst | Packeta Group (Zásilkovna)

2021 - present

Member of the financial controlling team. The main responsibility is to deliver comprehensive business and financial information to management and other partners, so that the financial life cycle of a company could be well managed.

- Data mining (SQL, MariaDB, MS SQL Server, MS Access)
- Data transformation and modelling (Excel, Power Query, Power Pivot)
- Data reporting (Power BI)
- Data consolidation and analysis (creating budgeting templates, ad-hoc analysis, etc.)
- Automation (VBA)

Financial Business Partner | Vodafone

2018 - 2021

Finance business partner for the System Development department. Day to day agenda was to provide support, analysis, and assistance in decision making processes. Essential competences were also budget planning activities, creating business cases, and reconciling CAPEX and OPEX results. I led several saving initiatives and projects, and, at the beginning of 2020, I was nominated to VF talent program (VF stars).

Portfolio Analyst | Alpiq Energy

2016 - 2017

- Data processing and modelling; Keeping data integrity; Reporting (SAP BusinessObjects)

Education

University of Economics | Prague, 2011-2017

- Faculty of Business Administration
- Master Thesis: Valuation of ČEZ, a.s.

Other Education and Certificates

- The BI Analyst Course, Udemy, 2021
- CodeCademy, Udemy, freeCodeCamp continuously ongoing courses

Skills & Competences
